SCHEDULE

DISTRICTS ACT

1. Short title
This Act may be cited as the Districts Act.

1A. Interpretation
In this Act—
“Chief Surveyor” means the Chief Surveyor of the Ministry responsible for the subject of lands or any officer deputed by him.

2. Districts
The Island of Mauritius shall be divided into 9 districts—
1 Port Louis
2 Pamplemousses
3 Rivière du Rempart
4 Flacq
5 Grand Port
6 Savanne
7 Black River
8 Plaines Wilhems
9 Moka.
3. Boundaries

(1) The boundaries of the districts shall be those specified in the Schedule.

(2) Districts which have a sea coast shall extend seawards to the outer limits of the territorial sea.

4. Plan prepared by Chief Surveyor

(1) The Chief Surveyor shall draw up in duplicate a coloured plan of the island on which shall be indicated the boundaries set forth in the Schedule of all the districts and the principal mountains, rivers, roads, railways, places, boundary posts or any other necessary marks.

(2) Each of the duplicates shall bear a certificate signed by the Chief Surveyor specifying that it is one of the duplicates mentioned in this section.

(3) One of the duplicates shall be deposited in the Registry and the other shall be filed in the office of the Chief Surveyor.

5. Plan to be evidence in aid

Where any question arises as to the boundaries of a district or as to the district in which any place is situate, the same shall be decided in accordance with the Schedule and reference shall be made to such plans or to any tracing, copy or enlargement of them specified in section 7 if need be to illustrate, explain or make clearer the definitions in the Schedule.

6. Supreme Court may authorise plan

The Supreme Court may, on application to that effect made to it on behalf of the Chief Surveyor, authorise the Chief Surveyor to substitute another plan in strict conformity with the Schedule and duly certified in lieu of the plan mentioned in section 5.

7. Copy to be evidence

In any complaint, action or suit before any Court, any copy, tracing or enlargement of the said plan or of any part of it purporting to be signed by the Chief Surveyor shall be received in evidence in lieu of the original plan unless the signature of the Chief Surveyor appended to it is proved not to be genuine.

8. Estates bordering districts

(1) Where a sugar estate or other cultivated property is crossed by the boundary line of 2 or more districts, the Minister may by regulations declare that the whole of the estate or property shall be deemed to be within the district specified in the regulations, and thereupon the whole of the estate or property shall be deemed to be situate within the district so specified.

(2) Where a sugar estate or other cultivated property is crossed by the boundary line of 2 or more districts, the whole of the estate or property
shall, in the absence of any regulations under subsection (1), be deemed to be situate in the district in which the mill, or, if there is no mill, the principal building of the estate or property is situate.

9. District boundary posts

(1) The Chief Surveyor may set up district boundary posts on the boundary line of any district as specified in the Schedule and thereupon each such district boundary post shall be deemed to indicate the boundary line described in the Schedule.

(2) There shall be marked on each such post the words “District Boundary Post” and the year (in figures) in which the post is set up, together with the Government mark.

(3) Any person who damages, destroys, displaces or removes any district boundary post set up under this section shall commit an offence and shall, on conviction, be liable to the penalties specified in section 362 of the Criminal Code.

10. Right of entry

Where the Chief Surveyor or any sworn land surveyor finds it necessary to enter any private property for the purposes mentioned in section 9 or for the verification of any district boundary line, he and any person accompanying him may enter such property with all necessary implements and materials and perform such work as may be necessary for the said purposes.
